

MoU Between NIB and AcSIR for Ph.D Program

National Institute of Biologicals (NIB), Noida signed an MoU with Academy of Scientific & Innovative Research, Ghaziabad (AcSIR) on 28th day of February, 2022 for conducting a Ph.D. program in Biotechnology with special emphasis on Quality of Biologicals at NIB, Noida. Where, AcSIR will collaborate and recognize NIB as its Associate Academic center. The students who will be enrolled for Ph.D. program with AcSIR can choose NIB for their research. The students will be mentored by the scientists of NIB and will be allowed to be co-mentored by the faculty of AcSIR at other academic centers of AcSIR. The students will be enrolled for their particular academic program with AcSIR, and the degrees will be awarded by AcSIR on full compliance to the processes of AcSIR and program as well as course requirements within the set timelines.
