

Postdoctoral Fellowship (PDF) Programme at NIB
(Call for FY 2025-26)

National Institute of Biologicals (NIB) is an apex autonomous institute under the administrative control of Ministry of Health & Family Welfare (MoHFW), Government of India. NIB aims to identify potential candidates interested in pursuing Postdoctoral fellowship at NIB, NOIDA. The area of research will be as per the mandate of NIB with a focus on field of quality evaluation of biologicals, diagnostics, prophylactics and therapeutics. The potential candidates may like to work in different laboratories of NIB such as diagnostic kits of various diseases, blood grouping reagents, plasma derived products, recombinant products, vaccines and therapeutic monoclonal antibodies etc. The aim of PDF programme is to develop professional skills in the field of quality control. The trained postdoctoral fellows would contribute towards the development of new biologicals. In a long-term this programme would help NIB and MOHFW in safeguarding the public health.

In view of the above, NIB has started the institute sponsored Postdoctoral fellowships (PDFs) at NIB. The applications are invited from potential candidates who are within the three years of award of Ph.D. degree to work at NIB on quality evaluation and development of biologicals.

Number of PDFs require: 03 (Three)

Fellowship Structure: The PDFs will be remunerated with Rs. 55000/- plus HRA as per the rules.

Tenure: The fellowship will be awarded initially for a period of 02 years and can be extended for a period maximum of one years based on the performance.

Selection procedure: Concept note for proposed research in the field of biologicals, CV and Interview by the selection Committee.

Last Date of submission of Application: The candidate may submit a full application along with their CV & Concept note for proposed research in the field of biologicals at following email before 30th April 2025.
