

1. Name of the Employee: Ms Gurminder Bindra
2. Email id: gbindra@nib.gov.in
3. Designation: Scientist Grade III
4. Division/LAB: Recombinant Products Laboratory
5. Educational Qualification: MSc (Biotechnology), MS University, Baroda
6. Year of Joining: 1995
7. Professional Experience: (Years and Details in brief) 26 years of experience in the field of Quality Control of Biologicals
8. Major Publications: 09

1. Kalia.V.C. & **G. Luthra**: Vanaspatic Kachra: Samasyian, Samadfan Avam Urja Utpadan Ki sambhavnain, June 1994,2(1), 38-46 Bhartiya Audhyogic Avam Anusandhan Patrika (CSIR)
2. Reba Chhabra,**Gurminder Bindra**, Charanjit Sokhey: Significance of Total (IgG+IgM) antibody to Hepatitis B core antigen testing in transfusion medicine. Indian Journal of hematology and Blood transfusion, 2005, Vol 23(3),38-40
3. Manjula Kiran, Shalini Tewari, Jaipal Meena, Farha Hasan, Rashmi Srivastava, **Gurminder Bindra**, Subhash Chand, Harit Kasana, Neeraj Malik, Gul Raj Soni and Surinder Singh. "Trend analysis of potency and stability of measles vaccine in India." International Journal of Current Research, 7, (12), 24053-24056.
4. Subhash Chand, **Gurminder Bindra**, Saurabh Vaishnav, Anupama Pandey, Ayush Karol, Faraz Sheikh, Jaipal Meena, Shalini Tewari, Manjula Kiran, Neeraj Malik, Shikha Yadav, G.R. Soni and Surinder Singh. "Comparative evaluation for safety & potency of inactivated Cell Culture Rabies Vaccines from four Indian manufacturers." International Journal of Biomedical and Advance Research, Volume 7 Issue 01.
5. Manjula Kiran, Shalini Tewari, Jaipal Meena, Farha Hasan, Ajay Ade, **Gurminder Bindra**, Subhash Chand, Neeraj Malik, Gul Raj Soni and Surinder Singh. "Quality Evaluation of Rubella Vaccine used in India." International Journal of Biomedical and Advance Research, Volume 7 Issue 01.
6. G.Bindra, R.Chhabra, S.Sharma, PSC Anand, BBhushan and S.Singh." Comparison of analytical sensitivity of HIV diagnostic kits using HIV dilutional panel." International Journal of Biomedical and Advance Research, Volume 7 Issue 04
7. Establishment of the First National Reference Standard for Insulin Lispro: Report of a collaborative study. Gurminder Bindra, Gaurav Pratap Singh Jadaun, Shruti Dixit, Vandana Saklani, Zafar Abbas, Parveen Jain, Kim B Dancheck, Matthew W. Borer, Meena Kumari, Charu Mehra Kamal, Renu Jain, Surinder Singh and Participants of the Study. Biologicals,58(2019)1-6
8. Role of NIB in connecting science to patients by assuring safe and quality antidiabetic products. Gurminder Bindra, Charu Mehra Kamal, Meena Kumari,

Sanjay Mendiratta, Preety Sharma, Surinder Singh. Journal of Medical Sciences 2019; 22(1):16-20

9. International Collaborative Study of the Proposed 1<sup>st</sup> WHO International Standard for insulin, human. Melanie Moore, Jackie Ferguson, Peter Rigsby and Chris Burns. participants of study (from NIB- Dr Renu Jain, Ms Shalini Tewari, Mr Tara Chand, Dr Gaurav Pratap Singh, Ms Sudha V. Gopinath, Dr J.P. Prasad, Ms Gurminder Bindra, Dr Meena Kumari, Ms Shruti Dixit and Ms Vandana Saklani,
